OUR LEGAL PROFESSIONALS

MR. ESSA MOHAMMED AL SULAITI
FOUNDER & CHAIRMAN

Mr. Essa Mohammad Al Sulaiti is a Qatari attorney admitted by Qatar Lawyers Admission Committee as well as an active member of the Qatari Bar Association.

Drawing on his prior education and experience in Wales and reputable law firms in Qatar, Mr. Al Sulaiti founded Essa Al Sulaiti Law Firm in 2015 to effectively align his practice with a personal mission: addressing the emerging legal demands of local and international businesses operating in the State of Qatar.

Mr. Al Sulaiti is also an arbitrator certified by the GCC Commercial Arbitration Centre (GCC-CAC) and Qatar International Centre for Conciliation and Arbitration (QICCA).

Mr. Al Sulaiti has represented clients and served as counsel in international arbitration proceedings held under the rules of the International Chamber of Commerce (ICC), the London Court of International Arbitration (LCIA) and the Qatar International Center for Conciliation and Arbitration (QICCA). As an arbitrator, he has been appointed in several disputes as both a sole arbitrator and as a member of a tribunal, including as a president of an arbitral tribunal.

Throughout his arbitral experience he has also advised clients on disputes concerning arbitration clauses, governing law, jurisdiction, the enforcement of arbitration awards and international judgment enforcement.

Mr. Al Sulaiti's experience includes a broad range of corporate services with a focus on dispute resolution. He also works closely with various local and international clients advising on mergers, acquisitions, takeovers, leveraged buyouts and joint ventures, and has represented several companies, shareholders and directors in corporate/commercial disputes in court and arbitration. Mr. Al Sulaiti's practice emphasizes counseling clients on company formation/establishment, foreign investment across a full range of industries and a broad variance of corporate governance matters, including

structuring, directors' duties, shareholders' responsibilities, general meetings/assemblies, corporate compliance matters, legal auditing and due-diligence.

Mr. Al Sulaiti's background couples extensive academic experience and hands-on practice in the legal sector of the construction industry.

His practice emphasizes resolving complex construction disputes through mediation, and when necessary, arbitration and litigation in relation to projects in Qatar and internationally. Mr. Al Sulaiti frequently addresses construction claims and has handled hundred-million-dollar litigations and arbitrations involving breach of contract, construction and design defect, delays/damages, variations and impact, default, and termination matters. Given his depth of experience, he has provided an impressive range of services to his clients, including advising on FIDIC, EPC, design/build, design and construction contracts as well as risk management, negotiation of contracts, project legal counseling/guidance and preparation of claims.

Mr. Al Sulaiti represents and regularly counsels main and sub-contractors, project managers, engineers, employers and other members of the construction and government contract industries. This includes the representation of contractors and owners in connection with some of the most prominent projects built

throughout the State of Qatar, both public and private.

In the public arena, he has extensive experience counseling, litigating and arbitrating complex disputes regarding high profile facilities, government construction/civil works and projects pertaining to museums, sport stadiums, rails, bridges, plants and highways.

In the private sector, Mr. Al Sulaiti has ample experience providing counsel, litigating, arbitrating and mediating substantial claims concerning private assets including hotels, malls, residential/commercial towers, and medical and manufacturing facilities.

Inspired by Qatar's growth in the field of sport - and as an avid sports enthusiast himself - Mr. Al Sulaiti has earned an interdisciplinary master's degree in Sports Law to offer his expertise in the legal and commercial sides of sports. Mr. Al Sulaiti is also a member of the Asian Football Confederation Legal Committee (AFC), as well a member and arbitrator at Qatar Sports Arbitration Foundation (QSAF). With his understanding of Qatari law, local culture and international sports law, he is able to offer the ideal intersection for meeting the legal demands of the sport sector.

Mr. Al Sulaiti has also published a book **"Individual Employment Contract: A Guide for Employers and Workers"** that guides employers and employees in Qatar on employment rights and labour law.
